BRISTON 
New Warranty Card

January 2019

www.briston-watches.com

THE NEW WARRANTY CARD

- BRISTON has decided to set up a new system of certification & activation of the 2-year international warranty.

This new digital system has to be used by all the BRISTON customers meaning either the final customers or official BRISTON retailers.

Each BRISTON watch should be sold within a BRISTON box directly along with the corresponding new warranty card.

On first page, it is specified that all the watches are guaranteed during a 2-year period from the purchase date.

From the purchase date of the watch, either the retailer directly fill in (current way) the warranty card with all the customer information either the retailer or the final customer can use the new BRISTON warranty system (digital way) . At first, you need to download the Facebook or Wechat application on your mobile phone.

Wechat

Facebook

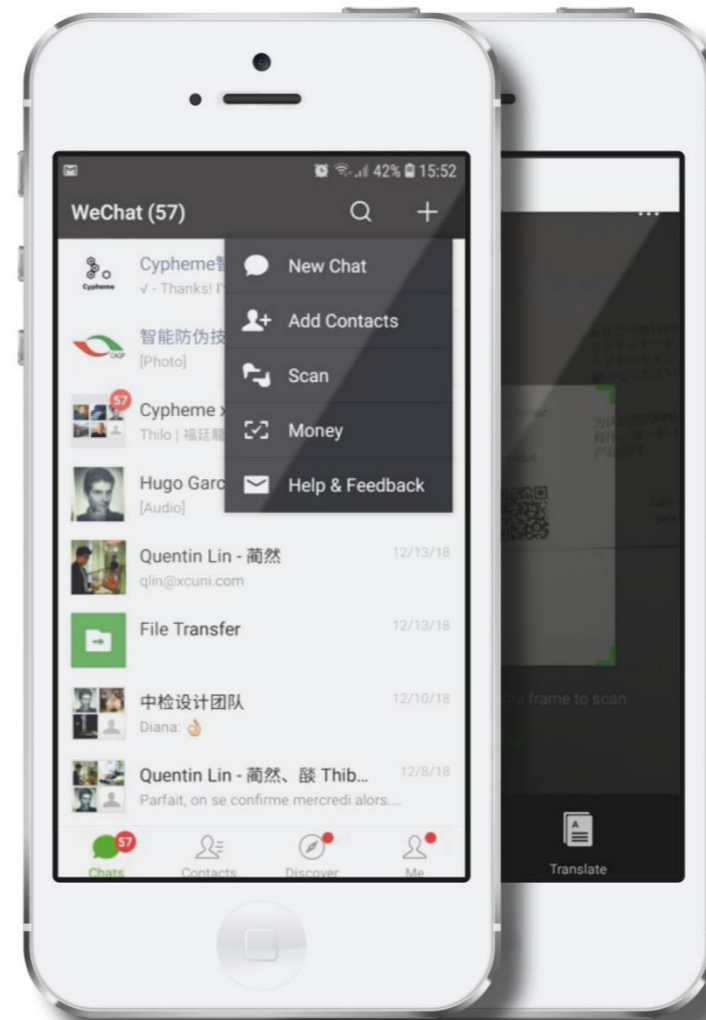

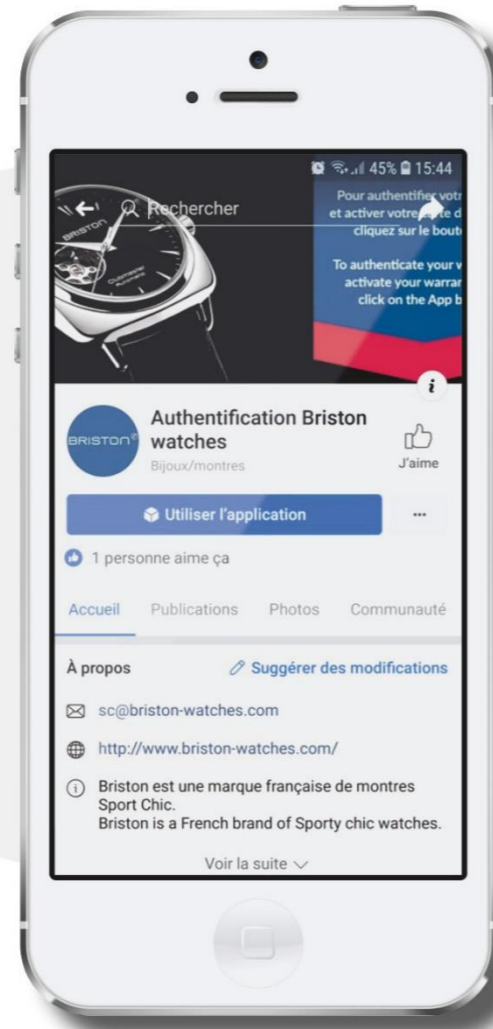

THE NEW WARRANTY CARD

➤ FACEBOOK process of validation & activation of BRISTON warranty:

Please use or download «QR code scanner» application. Once you have taken a picture from your QR code scanner, you will be redirected to the BRISTON warranty authentication web page.

You have to click on the button « Use application »

Please take a picture of the QR code below:

➤ WECHAT process of validation & activation of BRISTON warranty:

Inside Wechat, click on the symbol “+” & select “Scan” to take a picture of the QR code.

Then, you will be redirected to the application of authentication.

THE NEW WARRANTY CARD

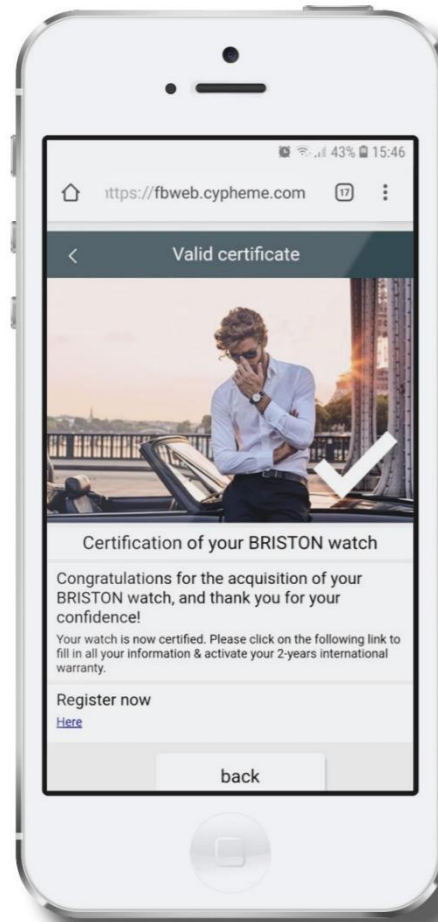

- The application will ask to authenticate the watch thanks to the original product footprint situated on bottom of right page of the warranty card.

THE NEW WARRANTY CARD

➤ 3 RESULTS ARE POSSIBLE:

Valid certificate

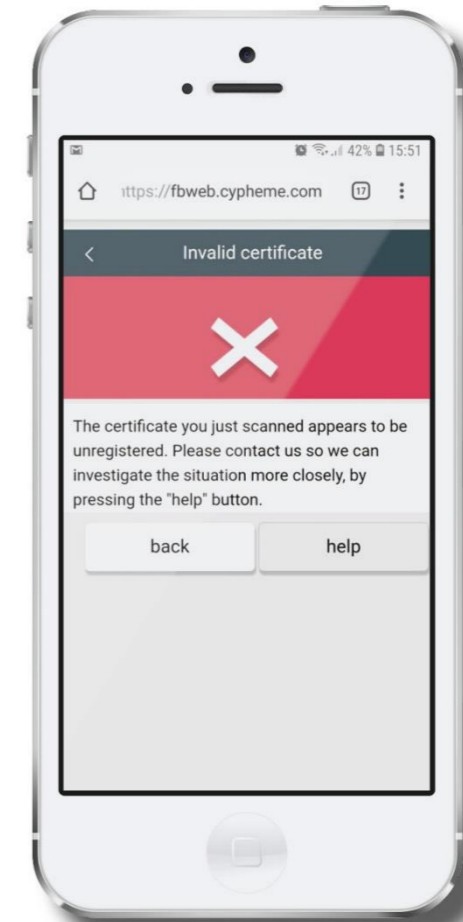

Certificate not found – picture too blurred
